

## 2019 Boehringer Ingelheim Research Award for Graduate Veterinarians

December 10, 2018

Dear Program Director:

I am pleased to announce the 2019 Boehringer Ingelheim Research Award for Graduate Veterinarians. This award reinforces BI's mission to promote research in veterinary biosciences and reward those students who have excelled in their graduate or residency program. The award recognizes graduate veterinarians that have completed or will soon complete a PhD program or are in their final 1 to 2 years of residency training in the field of veterinary pathology, medicine, surgery, radiology/imaging, or laboratory animal medicine.

***Please submit  
applications  
electronically (PDF  
format) by March 30,  
2019 to:***

*[Diane.Larsen@Boehringer-  
Ingelheim.com](mailto:Diane.Larsen@Boehringer-Ingelheim.com)*

*Hard copy submissions  
will not be accepted.*

### **The award is based on the following criteria:**

- The applicant has received a doctorate degree in veterinary medicine.
- The applicant has completed or will soon complete a PhD program or are in their final 1 to 2 years of residency training in the field of veterinary pathology, medicine, surgery, radiology/imaging, or laboratory animal medicine in the US.
- The applicant will attend the summer symposium in 2019 present their work in the form of an oral presentation.

**Applications for the award must be received by March 30, 2019. The application consists of:**

- (1) Cover letter
- (2) Curriculum vitae
- (3) Scientific manuscript or detailed written description of research in journal format
- (4) Two letters of recommendation in support of submission

**The award, which will be presented to the recipient at the 2019 National Veterinary Scholars Symposium, includes \$2,500 cash plus travel stipend to present work at the 2019 NVS Symposium.**

Best regards,

Diane Larsen, DVM, PhD  
Head, Global Development Projects
